Bismillah al Rahman al Rahim

*"In the name of Allah,
most Gracious, most Compassionate"*

The Arabic phrase shown above is pronounced as *Bismillah ir-Rahman ir-Rahim*, and is a beautifully poetic phrase which offers both deep insight and brilliant inspiration. It has been said that the phrase *Bismillah ir-Rahman ir-Rahim* contains the true essence of the entire Qur'an, as well as the true essence of all religions.

Muslims say this phrase when embarking on any significant endeavor, and the phrase is the major pillar of Islam. This expression is so magnificent and so concise that all but one chapter of the Qur'an begins with the words *Bismillah ir-Rahman ir-Rahim*.

Rotary International

Official logo & masterbrand signature

For many years, Rotary wheel stood alone as logo on signage and communications materials. Although the words Rotary International were embedded in the wheel, they were hard to read from a distance. As a result, the general public did not always recognize Rotary's involvement in a project or activity.

That's why Rotary International decided to expand official logo to include the word **"Rotary"** next to the wheel.

This is RI official logo and masterbrand signature, which should be used whenever possible.

The Rotary wheel is our mark of excellence. In addition to being a component of our official logo, it may be scaled up for greater impact and used separately but in close proximity to the masterbrand signature.

CREATE LASTING IMPACT

At the International Assembly in Orlando, Florida, Rotary International President-elect Olayinka Hakeem Babalola unveiled the presidential theme for the 2026-27 Rotary year:
Create Lasting Impact.

President Babalola called on all leaders to shift their focus from temporary outcomes toward deep, enduring change, reminding us that
***Change is only the beginning.
Impact is what endures.***

He challenged every club to examine its past triumphs and dare to surpass them.

***"When we change ourselves, we change our clubs.
When we change our clubs, we change the communities we serve. And when we change our communities, we create lasting impact."***

Paul Harris at age 3, around the time he moved to his grandparents' home.

Rotary started with the vision of one man.
Paul P. Harris.

Harris was born on 19 April 1868 in Racine, Wisconsin, USA. At age 3, he moved to Wallingford, Vermont, where he grew up in the care of his paternal grandparents. He attended the University of Vermont and Princeton University and received his law degree from the University of Iowa in 1891.

In 1896, Harris settled in Chicago and opened a law practice. Four years later, he met fellow attorney Bob Frank for dinner on Chicago's North Side. They walked around the area, stopping at shops along the way. Harris was impressed that Frank was friendly with many of the shopkeepers. He had not seen this kind of camaraderie among businessmen since moving to Chicago and wondered if there was a way to channel it, because it reminded him of growing up in Wallingford.

"The thought persisted that I was experiencing only what had happened to hundreds, perhaps thousands, of others in the great city.... I was sure that there must be many other young men who had come from farms and small villages to establish themselves in Chicago.... Why not bring them together? If others were longing for fellowship as I was, something would come of it."

Harris eventually persuaded several business associates to discuss the idea of forming an organization for local professionals. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in downtown Chicago for what would become known as the first Rotary club meeting.

In February 1907, Harris was elected the third president of the Rotary Club of Chicago. Toward the end of his presidency, he worked to expand Rotary beyond the city. Some club members resisted, not wanting to take on the additional financial burden. But Harris persisted, and by 1910, Rotary had expanded to several other major U.S. cities.

Harris recognized the need to form a national association with an executive board of directors. In August 1910, Rotarians held their first national convention in Chicago, where the 16 existing clubs unified as the National Association of Rotary Clubs (now Rotary International). The new association unanimously elected Harris as its president.

At the end of his second term as Rotary president, Harris resigned, citing ill health and the demands of his professional practice and personal life. He was elected president emeritus by convention action, a title he held until his death.

In the mid-1920s, Harris became actively involved in Rotary again, serving as the public face of the organization. To promote membership and service, he attended conventions and visited clubs throughout the world, often accompanied by his wife, Jean.

Harris died on 27 January 1947 in Chicago at age 78, after a prolonged illness. Before his death, he made it known that he preferred contributions to The Rotary Foundation in lieu of flowers. By coincidence, days before he died, Rotary leaders had committed to a major fundraising effort for the Foundation.

Upon news of his death, Rotary created the Paul Harris Memorial Fund as a way to solicit these donations. Rotarians were encouraged to commemorate the late founder of Rotary by contributing to the fund, which would be used for purposes dear to Harris' heart. In the 18 months following his death, The Rotary Foundation received \$1.3 million, which helped support the Foundation's first program - scholarships for graduate study abroad.

The education of Paul Harris: From rascal to scholar

Paul Harris as a cadet in the Vermont Military Academy.

Paul Harris as a student at the University of Vermont in Burlington.

The school Paul Harris attended as a child in Wallingford, Vermont, circa 1873-74.

Freshman football players at the University of Vermont, including a young Paul Harris, circa 1885. The '89 signifies that the players were to be in the graduating class of 1889.

New Year, New Challenges, Strong Continuity

Dear fellow Rotarians,

As we enter the 2026-27 Rotary Year, we renew our mission to serve with purpose, ethics, and enthusiasm. This new cycle is an invitation for us to rediscover the transformative power of engagement. Every project, every meeting, and every gesture of active participation will echo far beyond the limits of our clubs - it amplifies our impact and strengthens the essence of Rotary in our communities.

Engaging means taking a leading role in building lasting solutions. It means learning continuously, sharing experiences, supporting new leadership, and inspiring fellow members. When every Rotarian decides to be present, contribute ideas, and put their energy at the service of the greater good, we create a fertile environment for innovation, growth, and unity. In this way, we strengthen our clubs, make our district more cohesive, and ensure that our efforts generate sustainable results.

It is important to remember that continuity is the foundation that sustains our journey. In the district and in our clubs, the annual transition of leadership should not be seen as an interruption, but rather as a natural, planned, and harmonious evolution. Strengthening continuity means following through on long-term projects that are already transforming lives, consolidating strategic partnerships, and ensuring that Rotary's strategic planning transcends individual administrations.

By uniting the valuable experience of those who paved the way with the vigor and new ideas of those assuming leadership roles, we ensure solid growth and the sustainability of our actions.

Thus, the challenge for each of us is to live this new Rotary Year to the fullest: participate actively in all activities and official visits; get involved in humanitarian projects; propose initiatives; support those who are just starting; share your experiences; invest in The Rotary Foundation; and be close to your fellow members at every opportunity to serve. Your participation is vital for Rotary to continue being an ethical, humanitarian, and transformative reference.

May 2026-27 be a period of renewed enthusiasm, active collaboration, and collective achievement. Together, we can build a stronger, more inclusive Rotary that is better prepared to face the challenges of the future. Our success depends on the sum of our actions and the willingness of each person to make a difference.

Finally, may we embrace with conviction the message of our President Olayinka Babalola, "Create lasting impact," for it reminds us that our work goes beyond the present: every action, every project, and every gesture of solidarity builds a legacy that remains. May this message inspire us to act with long-term vision, ethics, and courage, leaving positive and transformative marks in all the communities we touch.

With esteem and confidence in the power of our engagement.

R. Gordon R. McInally

Rotary Club of South Queensferry, West Lothian, Scotland

Dear Rotary Members of District 3271,

As you begin a new Rotary year, I send my warmest greetings and encouragement to each of you. Rotary's strength has always been found in the dedication of members who see a need in their communities and take action to address it. Your commitment to Service Above Self continues to bring hope, opportunity, and positive change to countless lives.

As Chair-Elect of The Rotary Foundation for 2026-27, I am particularly grateful for your support of our Foundation. I have often said that The Rotary Foundation is the engine that provides the energy for Rotary to do its service. Through your generosity, we are able to fund projects that promote peace, improve health, support education, protect the environment, and strengthen communities around the world.

One of Rotary's greatest achievements remains our fight to eradicate polio. We stand closer than ever to ending this disease forever, but the final steps are often the most challenging. I encourage every club and every Rotarian to continue supporting the End Polio Now campaign until our work is complete.

Thank you for your dedication, your compassion, and your leadership. Together, united in purpose and inspired by Rotary's values, you will make the year ahead one of lasting impact.

With best wishes for a successful and rewarding Rotary year.

Rotary International, Director 2022-24*

Dear Governor Shahzad Sabir and all,

Assalam-o-Alaikum and warm greetings to all.

Heartiest congratulations on the commencement of another Rotary year. After months of thoughtful preparation and dedicated planning, I am confident that this year will be marked by meaningful achievements, stronger fellowship, and impactful service.

We must inspire every member to recognize that Rotary is one of the world's most influential humanitarian organizations and that each Rotarian has the capacity to be a catalyst for positive change. Our responsibility is to bring forth the very best within ourselves and translate that potential into service that enriches lives and strengthens communities.

The time has come to deepen our engagement with the people we serve. We must reach those who share our desire to make a difference and welcome them into our clubs, our teams, and the Rotary family. By doing so, we will not only expand our membership but also enhance our ability to embrace Rotary's evolving vision and amplify its impact across our district and throughout Pakistan.

Rotary encourages us to be innovative, resilient, and forward-looking. It calls upon us to lead change with courage, forge meaningful partnerships, and create sustainable solutions to the challenges facing our communities. Over the past few years, we have witnessed the remarkable power of collaboration in Pakistan. These partnerships have delivered tangible results, and I believe their potential remains far from fully realized. District 3271 is moving in the right direction, and the opportunities for growth and service before us are truly extraordinary.

Pakistan, with its population of over 240 million people, is blessed with a spirit of generosity and compassion. Millions are eager to contribute to the well-being of others; they simply need an avenue through which to serve. Our task is to extend our hands, open our hearts, and invite them to join us in the noble pursuit of Service Above Self.

I am particularly pleased to share that the Rotary Pakistan Smart Villages Program, launched four years ago, is steadily becoming a sustainable model for community transformation. Through this initiative, we have reached more than twenty villages, advancing Net-Zero goals, empowering women, and promoting sustainable development. These achievements demonstrate what is possible when vision is matched with commitment. Let us build upon this momentum and strive for even greater accomplishments in the years ahead.

Thank you for your unwavering dedication and support. Together, let us continue to Create Lasting Impact through stronger membership, greater service, meaningful partnerships, and transformative projects that leave a lasting legacy for future generations.

Long Live Rotary - Rotary Zindabad!

Dear District Governor Shahzad Sabir,

We congratulate you on taking charge as the District Governor for the year 2026-27 and wish you all the very best in your tenure as the District Governor for RID 3271.

The official Rotary theme announced by Rotary International President-Elect Olayinka Hakeem Babalola for the year 2026-27 is "Create Lasting Impact."

It serves as a call for Rotarians to go beyond short-term fixes and focus on sustainable services that make permanent, positive differences in the communities and the world.

Rotary's mission is to provide service to others, promote integrity, and advance world understanding, goodwill and peace through fellowship of business, professional and communities around the world.

As the District Governor you will be stepping into this vital role of leadership, inspiring confidence and promoting sustainable projects and programs to strengthen our district and achieve greater impact, and scale new heights of service excellence.

Let us create history and continue to work together with our polio partners to rid our country of this crippling disease called Poliomyelitis that has no cure but can be prevented with two drops of Polio vaccine.

Rotary Club of Karachi

Dear Fellow Rotarians, Rotaractors, Interactors, and Members of the Rotary Family of District 3271,

It is with immense pride, gratitude, and optimism that I welcome you to the Rotary International District 3271 Directory for the Rotary Year 2026-2027.

This directory is far more than a collection of names and contact information. It reflects the strength of our Rotary family, our shared values, and our collective commitment to Service Above Self. It serves as an important resource that connects clubs, leaders, and members across our district, enabling us to collaborate more effectively and strengthen the impact of our service.

As I begin my year as District Governor, I do so with humility, enthusiasm, and a deep sense of responsibility. I am honored to serve alongside dedicated Rotarians, Rotaractors, and Interactors who continue to make District 3271 a vibrant force for good throughout Sindh and Balochistan.

Under the leadership of Rotary International President Olayinka Hakeem Babalola, we are guided by the 2026–2027 presidential message, “Create Lasting Impact.” This message reminds us that the true measure of Rotary service lies not only in what we accomplish today, but in the sustainable and transformative impact we leave for future generations. Every project, every partnership, and every act of service should contribute to positive change that continues long after our direct involvement has ended.

District 3271 has a proud tradition of service and leadership. Our clubs continue to make a difference through initiatives in education, healthcare, economic development, environmental sustainability, peacebuilding, youth empowerment, and our continued commitment to a polio-free world. During this Rotary year, I encourage every club to strengthen membership engagement, enhance public image, embrace innovation, and implement projects that are measurable, sustainable, and impactful.

Our Rotaractors and Interactors remain among our greatest strengths. Their passion, creativity, and leadership inspire us all. By empowering young leaders and creating opportunities for meaningful engagement, we ensure that Rotary’s values continue to flourish for generations to come.

I extend my heartfelt appreciation to our Past District Governors, district leadership team, Assistant Governors, committee chairs, club presidents, Rotaractors, Interactors, and every member whose dedication and service contribute to the success of our district. Your commitment is the foundation upon which our achievements are built.

As we embark on this new Rotary year together, let us remain united in purpose, inspired by service, and committed to excellence. Let us strengthen our fellowship, expand our reach, and work collaboratively to address the needs of our communities. Together, we have the opportunity to create meaningful change that will continue to benefit society for years to come.

Let us lead with integrity, serve with compassion, and inspire others through our actions.

Together, Let Us Create Lasting Impact.

Yours in Rotary Service,

Rotary Greetings!

It gives me immense pleasure to extend my heartfelt congratulations to District Governor Shahzad Sabir on the publication of the District Directory. This directory is an invaluable resource that strengthens communication, fellowship, and collaboration among Rotarians across our district, while serving as a comprehensive guide throughout the Rotary year.

As we continue our journey of Service Above Self, I encourage every club and every Rotarian to look beyond routine activities and focus on creating sustainable impact through meaningful service. Let us work together to develop and strengthen signature projects that address the unique needs of our communities, leaving a lasting legacy for future generations.

Equally important is the active involvement of our youth. Through Rotaract, Interact, Rotary Youth Leadership Awards (RYLA), Youth Exchange, and other youth-focused initiatives, we have an opportunity to nurture the next generation of leaders and changemakers. By empowering young people and providing them with opportunities to serve, lead, and innovate, we ensure a stronger and more vibrant future for Rotary.

The District Directory reflects the strength, diversity, and dedication of our Rotary family. I commend District Governor Shahzad Sabir and his team for their efforts in compiling this comprehensive publication. May it further enhance our connections, foster collaboration among clubs, and inspire greater service, leadership, fellowship, and innovation throughout our district.

Together, let us strengthen Rotary's presence, expand our reach, engage our communities, and create lasting change across Sindh and Baluchistan.

Wishing all Rotarians a successful, impactful, and memorable Rotary year ahead.

Dear Rotary Family,

Assalam-o-Alaikum and Warm Rotary Greetings!

I am honored to share this message as a proud member of the Rotary family. It is a privilege to serve alongside dedicated individuals committed to creating positive change in our communities.

Rotary stands as a symbol of hope, service, and fellowship, bringing together people from diverse backgrounds with a shared purpose - to serve humanity and make a meaningful difference.

As we continue our journey in District 3271, I am inspired by the dedication of our members whose time, effort, and compassion uplift countless lives. Through collaboration and purposeful leadership, we can meet challenges and create sustainable change.

The Rotary theme, "Create Lasting Impact," calls us to look beyond immediate needs and build stronger foundations for future generations. Every project and act of service strengthens communities and inspires hope.

I encourage every Rotarian to embrace innovation, deepen fellowship, and lead with compassion and integrity. Together, we can expand our reach, empower youth, support education and healthcare, protect the environment, and promote peace.

With gratitude and optimism, I look forward to the continued spirit of service that defines Rotary. Let us remain united in our mission to build stronger, healthier, and more resilient communities.

Rotary's strength lies in our shared vision and commitment to Service Above Self. Across District 3271, let us move forward with renewed purpose - supporting one another and turning compassion into action that transforms lives.

As one Rotary family, we have the power to shape a brighter tomorrow. Together, let us lead with purpose and Create Lasting Impact for generations to come.

I extend my heartfelt best wishes to District Governor Shahzad Sabir for a successful Rotary year 2026-2027 and to every member of District 3271 for continued growth, fellowship, and service.

United in purpose, united in service - together, let us Create Lasting Impact across District 3271.

Financial Information

RI DUES

The dues that club pays to Rotary International (RI) allow the secretariat to provide quality and efficient support to Rotarians worldwide. To make invoice simple and easier, RI introduced a one-page club invoice that clearly states the amount owed for subscription fees (only those collected by Rotary), membership dues, and outstanding balances.

If you want to pay your current RI dues online, go to the Club Administration page, <https://my.rotary.org/en/login?destination=https%3A//my-cms.rotary.org/en/manage/club-district-administration/club-administration> sign-in, and scroll down the page to the Club Invoice section. Please note that online payments can only be made through credit card. Fiscal Agent Office will not issue any official receipt for direct online payment.

Your club invoice is calculated by the number of members in Rotary's database on 1 January and 1 July. **Therefore, it is prudent that club officer(s) should register new members and remove terminated members by 1 January or 1 July, whichever is sooner.** Please remember that membership is calculated based on a member's admission or termination date, and **NOT** the date the change was entered.

All club invoices are due and payable upon receipt and the amount due is not adjustable. Club dues still must be paid even if you have not received the invoice.

	Particulars	Period	Half Yearly Dues	Due Date of Payment
1.	Per Capita RI Dues (Half Yearly)	July - Dec, 2026 Jan - June, 2027	US \$ 42.75 US \$ 42.75	July 01, 2026 Jan 01, 2027
2.	Subscription to The Rotary Magazine (Half Yearly)	July - Dec, 2026 Jan - June, 2027	US \$ 18.00 (Printed) US \$ 9.00 (Digital) US \$ 18.00 (Printed) US \$ 9.00 (Digital)	July 01, 2026 Jan 01, 2027
3.	Council on Legislation Dues per year	July 2026 June 2027	US \$ 1.00	July 01, 2026

REQUIRED SUBSCRIPTION

Each member shall be a paid subscriber to the Rotary Magazine approved for that club by the board for the duration of their membership. Two Rotarians residing at the same address may subscribe jointly to an official magazine. Each member may choose either a printed or (where available) electronic copy.

PAYMENT METHODS

Bank	Branch	Account Title	Account Number
Bank Alfalah	Main Branch	Rotary Humanitarian Trust	0005-1008646566 Rotary International
I.I. Chundrigar Road Karachi		Rotary Humanitarian Trust	0005-1008687646 The Rotary Foundation

- All Pay Orders / Bank Drafts on account of contributions toward The Rotary Foundation (TRF) should be made payable to "Rotary Humanitarian Trust" drawn on any bank in Karachi.
- All Pay Orders / Bank Drafts should be sent to the Fiscal Agent's office at the following address:
D-3, Block 9, Clifton, Karachi
- Please note that Rotary re-evaluates exchange rates monthly.

Financial Information

OUTSTANDING CLUB DUES

Clubs that have not paid their Rotary dues within four months of the date on the invoice will be terminated. Clubs will then have five months to fulfill the following reinstatement requirements:

- Pay all outstanding financial obligations at the time of termination
- Pay all membership dues that continue to accrue thereafter
- Pay a \$30 per member reinstatement fee
- Complete and submit a reinstatement application and provide an updated membership list along with a list of current officers and their contact information

After 150 days from the termination date, clubs are permanently terminated and cannot be reinstated. The club loses its name, history, and charter.

IMPORTANT

ALL CLUBS ARE REQUESTED TO PLEASE IMMEDIATELY COMMUNICATE INFORMATION OF PAYMENT(S) OF RI DUES OR TRF CONTRIBUTIONS TO FISCAL AGENT OFFICE FOR IMMEDIATE REPORTING TO RI AND TO AVOID ANY INCONVENIENCE.

Rotary Pakistan, particularly through its various regional chapters like the Rotary Club of Karachi and the **Rotary Action Group for Blood and Organ Donation Pakistan**, frequently hosts blood donation drives. These events are routinely organized in collaboration with local healthcare partners like Indus Hospital to support cancer and thalassemia patients.

Recent & Notable Rotary Blood Drives in Pakistan

Corporate & Campus Drives: Rotary regularly sets up camps at major office buildings and universities in Karachi (such as Telenor offices and IBA).

Institutional Partnerships: The Rotary Action Group partnered with the Inter University Consortium for Promotion of Social Sciences Pakistan to expand voluntary donation programs and awareness nationwide.

Regional Hubs: Rotary District 3271, which covers Sindh and Balochistan, previously organized notable community camps in the Korangi area.
